

# The RM Update

June 2019

## R RECONCILIATION MINISTRIES

Mobile Attic, a partner of Reconciliation Ministries, provides customers with a convenient, stress-free moving experience. They offer portable storage containers and various options for storage. Jeff Stallings, Mobile Attic's founder and owner, has a heart for helping people. Mobile Attic has not only donated the use of a storage container to RM, but provides RM with work opportunities. These opportunities help men and women in RM's program develop job skills and a strong work ethic in a structured environment. RM students have helped Mobile Attic clean and repair storage containers, install a fence, and various other work projects. Jeff says he loves the flexibility of the partnership. If he has extra work that he needs accomplished he knows he can rely on Reconciliation Ministries to help him out. Most importantly, Jeff states, "I enjoy and appreciate all that RM does and in a very, very small way we are thankful we get a chance to be a part of that." He looks forward to seeing the partnership grow and flourish. RM is grateful to businesses like Mobile Attic that give RM students opportunities to develop their job skills and even provide potential employment opportunities.

Renovations on the women's home are rapidly progressing. Exterior construction is wrapping up, drywall has been put up, and flooring is getting ready to go down! RM is thankful to Celtic Works, Stier Supply, B & B Electrical, Chapin Furniture, and the many other individuals and businesses who have been involved in this project. RM is excited to open the doors and have the capability to house and minister to 9 individuals! The project is expected to be finished by the end of July.

## 3RD ANNUAL (RE)NEW HOPE BANQUET

On September 26, 2019, RM will celebrate the newest graduates of our Men's and Women's Programs. We hope you will join us for a night of inspiration, as we share program updates and rejoice in the work the Lord has done.

## Program Re-Structure

---

With recent re-branding changes, minor changes within RM's program structure has also occurred. The infographic above represents the progression through RM's residential living program. When a student comes to RM they will enter the Reconciliation or Restoration Track. The Reconciliation Track is 9-15 months with 5 contracts of Biblical curriculum to complete before graduating. Each contract focuses on transformation of old mindsets through character development including Biblical teaching, application of character qualities, and leadership development. The Restoration Track is geared toward those who have already been through a 12-month or longer faith-based program. This Track is 6-9 months and the curriculum is tailored to individuals on a case by case basis. Once either Track is completed, students will then enter the Re-Entry Track. In this Track students will have the chance to be a staff intern or off-campus intern. A staff intern completes an internship with RM, assisting in various areas of the ministry. Whereas, an off-campus intern is employed in a position off-campus, but living in RM housing. The Re-Entry Track helps students transition back into independent living while still having accountability. Once students have completed the Re-Entry Track, they will graduate the program and continue towards independent living. RM will continue to provide assistance as needed.
