

# GOALS BEING ACCOMPLISHED

---

The primary focus of Reconciliation Ministries is to see individuals reconciled--to God, to themselves, and to others. Through the mighty work of the Lord, we've seen reconciliation take place in miraculous ways. This past month we celebrated with Lakin who became the first RM student to pass her GED exams!

She spent countless hours studying for this test and is looking forward to the many opportunities she will have with a GED. Lakin was very excited about this accomplishment and said, "This is amazing. This is the first thing I have actually accomplished and finished in my life." She intentionally wore her favorite shirt during the testing days as a reminder that He is faithful.

Lakin is grateful for all the Lord has brought her through and the incredible ways He is moving in her life. His faithfulness is evident every day. A special thanks to Diane Taylor and other volunteers for assisting Lakin in this process. We have more students in RM's GED class and we look forward to celebrating many more GED graduates!

## STAFF SPOTLIGHT: TREVOR MOSLEY

---

Trevor Mosley is RM's Men's Program Manager. Growing up Trevor struggled with severe drug addictions and suicidal depression. He went through a long-term program very similar to RM. After completing the program, Trevor felt a call to ministry on his life. Although he has received several ministry certificates since this calling, Trevor recently received his ministerial license through The Church of the Nazarene. Initially, he had no intention of pursuing his licensure with The Church of the Nazarene, but he did it because he felt God's leading. With the call of God and the encouragement of others, including the District Superintendent of the SC Churches of the Nazarene, Trevor began the process.

He was initially interviewed by "a room full of SC District pastors." Members of this panel spoke highly of him and offered encouragement as he then started the required classes for his ministerial license. On July 22, 2019, Trevor received his ministerial license at the SC District Assembly and he looks forward to becoming ordained in the Nazarene Church. He is excited for the opportunity to now have even more tools and resources as he continues to offer pastoral care and discipleship to the men in RM's program. Congratulations, Trevor, on a job well done!

## WE'RE MOVING IN!!

---

The day has finally arrived! The women will be moving into the newly renovated women's home during the week of September 16th. It has been a long journey, and we could not have accomplished this without the tireless efforts and the help of many volunteers and partnering businesses. Our heartfelt thanks goes out to the following businesses that have come alongside this dream and contributed toward its completion: Celtic Works, Stier Supply, and B & B Electrical. Because of their contributions and those of like-minded volunteers, we are able to move into this beautifully renovated facility. Thank you so very much!

# LOVER OF MY SOUL – CLINTON M.

(RM Student)

Oh, Jesus, lover of my soul,  
You know my thoughts,  
And search my heart.  
When others leave  
At the glimpse of my flaws,  
You step in and say,  
“I LOVE YOU!”  
How can I not praise you?  
Oh, Jesus, lover of my soul,  
The only one who can truly  
satisfy the human heart,  
Because you developed it  
carefully--every single part.  
Your masterpiece.  
Foundation.  
Truly a work of art,  
Created in the image of the  
Creator Himself,  
Who broke the chains of  
bondage,  
And rescued me from the  
wages of sin and death.  
I am convinced that the good  
work God has begun in me  
Will be perfected,  
Because the day I died to sin,  
In Christ, I was resurrected!

## DID YOU KNOW?

Drug abuse and addictions cost American society more than \$740 billion annually.

Within one year, 96,700 kids were removed from their homes and put in foster care because at least one parent had a drug abuse issue.

200 people a day are dying of overdose in America.

## RM LOGO

Our logo represents our main focus here at Reconciliation Ministries – reconciliation...to God, self, and others.

The **upward arrow** represents the reconciliation to God we desire for each of our students.

The **inward arrow** signifies the reconciliation that happens within oneself as God is allowed to transform and heal past hurts and pain.

The **outward arrow** represents the healing that can take place between ourselves and others in our lives.

Through God's grace, relationships can be healed, restored, redeemed, and reconciled.

RM is grateful for the numerous meals brought in by various church ministries and individuals. If you would like to bring a meal for the program please email [info@reconciliation-min.org](mailto:info@reconciliation-min.org).

## EDUCATIONAL OPPORTUNITIES

---

In June, RM students and staff had the privilege of hosting a professor from Columbia International University to speak at a Wednesday chapel service. Afterwards, everyone had the opportunity to make a campus visit and tour the facilities of CIU. RM students were able to see and hear first-hand about academic programs offered at CIU.

Why is this exciting news? Because CIU has chosen to partner with RM and offer scholarships to RM students upon completion of the program. For nearly a century, Columbia International University, in Columbia, South Carolina, has provided many different academic programs from a biblical worldview. They offer 24 undergraduate majors as well as graduate and seminary programs, professional certificates, and online programs. We are excited about this wonderful opportunity and look forward to seeing how God uses this partnership as He calls RM students into areas of ministry and other career paths.
