## A Month of Thankfulness

Reconciliation Ministries could not be where it is without the support given by so many. We'd like to express our gratitude to all who have given time, talents, resources, and finances to our program.

### Thank YOU

---

From RM board members to individuals volunteering to paint or clean and to people who have provided mountain homes or campers to provide opportunities of retreat and rejuvenation for RM staff and students, we want to say, "THANK YOU!" Your sacrifice and generosity has been greatly appreciated as you have poured into the lives of those in the RM program. RM is eternally grateful for each and every individual that makes continual sacrifices to advance God's Kingdom through Reconciliation Ministries. Thank you for praying for RM and thank you for giving generously of your time, talents, and resources. You make the ministry of RM possible!

### Thanks, COMMUNITY

---

Because of RM's partnership with Columbia First Church of the Nazarene, RM has been able to provide free Wednesday evening meals to the local community. This has been a wonderful way to give back to others and meet a very tangible need in our community. These meals have not only given us the opportunity to meet a physical need, but also a spiritual one. There have been many opportunities to share the Gospel with individuals and we look forward to more conversations in the future. These meals are provided at no cost every Wednesday from 5-6pm, and all are welcome to attend!

## Thanks, CHURCHES

---

It has been a privilege for RM to partner with churches in SC and beyond. We've had opportunities to travel to various churches to share stories of God's transforming work in the lives of RM students. We are so grateful to the pastors and congregations who have invited RM to share and minister with them and to churches who have supported RM with office and learning space as well as financial donations. We are also thankful for churches that donate in-kind items from church buses to clothing, appliances, and countless other items.

## Thanks, CIU

---

Columbia International University is an area university that has seen the value of supporting RM students in a variety of ways. We are thankful for all of the support and encouragement that is given to the program. RM also has the privilege of working with two CIU student interns, Nadia Thornton, a psychology major who is a missionary kid from the Ukraine, and Richard Bell, Sr., who is a Bible major with a psychology minor working with our RM men. He has plans to attend graduate school at USC to obtain his master's in social work. We are excited about this wonderful partnership and how it will impact the lives of RM students.

## Thanks, BUSINESSES

---

We are so appreciative of the generosity from area businesses. With their help, many RM needs have been met and major projects have been accomplished. From area restaurants donating food to contracting companies giving generously of supplies to furniture stores giving RM numerous furniture items. Celtic Works, Stier Supply, Chapin Furniture, B&B Electrical, and Gentle Dentistry are a few of the many businesses who have given generously towards the mission of RM.
