

The RM Update

Wishing You a Very Merry Christmas

December 2019

Celebration & Dedication

Excitement was in the air as RM celebrated the Grand Opening of The Nixon Home on Tuesday, November 19. Community leaders, local media, and individual supporters joined together to dedicate this home. RM was not just celebrating a home, but a place where lives will be forever changed. Joyce Dickerson, Richland County Council Member, began the celebration by expressing gratitude to RM for the great work that is being done in the community. Lucky Detty, Director of Operations, was surprised by WISTV who presented him with the Community Builders award. Dr. Wendel and Judy Nixon, whom the home was named after, were honored for their dedication to helping men and women experience reconciliation to God, themselves, and others. RM is grateful to everyone who has made and continues to make the life transformations that happen in this home possible.

Student Celebrations

We are pleased to celebrate with Abyjah S. the reinstatement of his driver's license. Due to poor life choices which resulted in his incarceration, he wasn't able to pay the fines necessary for keeping his license. However, God is in the business of restoring all aspects of our lives, and after 7 years, Abyjah received his new driver's license.

Abyjah is grateful for the means to serve in the ministry by being able to take people to church and various appointments. He sees this opportunity as a "restricted liberty and huge responsibility," and he hopes that by being able to serve and drive others to where they need to go that he can be an encouragement to them.

We've Been Gifted – And Blessed!

Recently, the annual SC Women's Getaway was held in Myrtle Beach. RM was honored to be the recipient of a generous love offering. RM is grateful to all who gave to help us further our mission of seeing women's lives changed and healed through the transforming love of Jesus. The teens of the SC Nazarene District continue to bless those here in RM. At their annual teen retreat, they collected much needed binders, loose-leaf notebook paper, and copy paper. Thank you to all who used their resources to provide supplies for the daily needs of the RM students.
