

The RM Update

June 2020

Graduations

This month, we celebrated the graduation of two of our staff members from degree programs they have been working on diligently! Executive Director, Ashley Miller has completed her master's degree in Business Administration from Liberty University, and Director of Operations, Pastor Lucky Detty has completed his undergraduate degree in Christian Ministry from Northwest Nazarene University. Not only do we applaud them for their personal accomplishments, but look forward to what impact their new found knowledge will bring to the ministry of RM. We give all of the glory to God for his power and provision as we celebrate!

Serving Opportunities

Each Friday, RM staff and students serve the refugee and immigrant populations living in Betty Downs and Colony East. Since beginning this outreach ministry, over 1,000 meals and food boxes have been given out. This outreach is not merely a “transaction” that takes place, however it is built upon an ongoing and meaningful relationship. When the big white van full of RM students and staff pulls into the neighborhood, children run toward it with excitement drawn in by the beauty of Jesus they experience each week. The Gospel is shared through words, but also in action. Service to others is one of the many character qualities modeled to and practiced by students in the program. It is moving to see God working in the community surrounding us, and even in our own hearts through weekly outreach.

Rooted and Renewed Campaign

Amidst the ever-changing circumstances of the world, we know God remains constant. RM continues to marvel at His faithfulness in every season, especially now, as He has opened doors for new growth through our Rooted and Renewed Campaign.

A few challenges we have recently faced are the need for 1) a designated space to serve as a “quarantine unit” to safely accept new intakes. 2) additional beds for program expansion due to the predicted increase in relapse rates. 3) affordable housing options.

In his perfect timing, God has provided RM with the opportunity to purchase four more buildings in the Beatty Downs neighborhood. These buildings will allow for quarantine units, the expansion of program through additional beds, and affordable housing available to the community.

Our Rooted and Renewed Campaign is officially underway, and we would like your support.

The exciting news is that our board and staff have pledged to match every gift received between now and June 30th up to \$107,000! This means your gift will be doubled and have twice the impact. Would you consider giving a gift to help more people experience freedom, hope, healing, and reconciliation to God, themselves, and others?
