KIM'S STORY

Before coming to RM Kim states, "I was living in the darkness and did not have any direction because I was caught up in my addiction." Since being here, God has radically transformed Kim's life. He has replaced darkness with light, despair with hope, and anger with the joy of the Lord. Kim enjoys spending time in learning center because she gets a chance to study God's word and learn character qualities that God wants her to exemplify.

MATTHEW'S STORY

Since being at RM, Matthew recalls how God has blessed, stretched, crushed, and pruned him. He says, "This process has not been easy or felt comfortable, but it is what I needed." God continues to uproot selfish ambitions and thoughts Matthew has. He said he is learning there is a bigger picture and that is not all about him. Matthew loves being a part of something bigger than himself and serving God's Kingdom.

TOP 5 OF 2020

1 FIRST WOMEN'S PROGRAM COMPLETION

This year we got to celebrate the first woman who completed the program! When Lakin first came into the program she had a heart of stone and was full of bitterness and frustration. However, God has now given Lakin a new heart and renewed mind. Lakin gets her two youngest boys every weekend and looks forward to how God is going to continue reconciling her family.

2 OLD --> NEW

Baptism is an outward expression of an inward change. Earlier this year, four RM students wanted to publicly express the transformation God was doing inside of them through baptism.

3 MAINTENANCE ASSISTANT

RM is excited to introduce Vincent Torrellas as RM's Maintenance Assistant! Before coming to RM, Vincent worked at San Antonio Teen Challenge where he was the Maintenance Director for their 101-acre campus with nine buildings. Vincent looks forward to serving at RM and is excited to be a part of a ministry where he can see God's hand at work every day. He is also very thrilled to live closer to his son.

4 WOMEN'S CHAPEL

The women's chapel is officially completed! This space will be used for prayer, worship, and chapel services as well as learning center time. This is a place where countless women will encounter Jesus, they will get the opportunity to hear numerous sermons, and learn and apply scripture.

5 SERVING

During the pandemic, God opened the doors for RM to serve the community in a greater capacity. Every Friday RM passes out over 200 meals and 200 food boxes to local neighborhoods like Beatty Downs and Colony East. Colony East is an apartment complex where a majority of the population is refugee and immigrants. RM has been able to share the Gospel with countless adults and children during this time.

HELP US EXPAND!

RM's board and staff firmly believe in the future and growth of the ministry and have pledged to match every gift received between now and July 31st up to \$107,000. This means your gift will be doubled and have twice the impact. Would you consider giving a gift to help more people experience freedom, hope, healing, and reconciliation to God, themselves, and others?

WE ARE GROWING!

Although this has been a challenging and unprecedented season, God has miraculously opened the doors for us to purchase four more buildings in the Beatty Downs neighborhood. These buildings will allow us to have a quarantine unit to safely accept new intakes, expand programming, and provide affordable housing options.
