

Thanksgiving Blessings

Thanksgiving is always a special time at Reconciliation Ministries because we get to experience firsthand the reconciliation of relationships in our students lives. Although this year looked a little different due to COVID-19, one Thanksgiving tradition remained: Staff and students of RM prepared boxes of food that were distributed in the Saint Andrews community. One of our student's family followed along in the caravan to participate in this yearly tradition. His mother was astounded at the fact that her son was not only handing out a box of food to complete strangers, but that he was fervently praying with them.

"And what you have heard from me in the presence of many witnesses entrust to faithful men, who will be able to teach others also."
2 Timothy 2:2

Rooted & Renewed

We are thrilled to announce that RM has reached our \$107,000 matching gift goal! With this gift, we were able to purchase and renovate four new buildings, and most importantly, expand programming and safely accept new intakes. Even in this unpredictable season of COVID-19, we are still celebrating God's unceasing faithfulness!

Coffee

As of December 4th, Reconciliation Ministries' coffee trailer is officially open for business! RM board members and staff had a chance to sample a few of our specialty drinks during a soft opening that took place on Thursday, November 19th. After sharing lunch, guests had a chance to rate the coffee and offer feedback regarding the menu. If you get a chance, please stop by and help support our mission through the purchase of a cup of coffee.

RM Coffee is a complete coffee shop on wheels - we serve everything from drip coffee to specialty lattes and fraps. Our motto is "more than coffee," because God is using coffee to do more than we could've ever imagined. When you support RM Coffee, you're doing so much more than indulging in a delicious cup of coffee - you're impacting the lives of countless individuals.
